TEASER

EXT. STREET - DAY

ARIANA ARIES, a peppy young girl with jet black hair, walks with TAMMY TAURUS, whose long green dress is covered in flowers.

ARIANA ARIES
The Miles Hart concert is coming up. We need to make a plan to get backstage to meet him.

TAMMY TAURUS
How are we going to do that, Ariana?

ARIANA ARIES
Well, um, the details aren't important. We'll figure something out. We have to, Tammy!

A mysterious HAND comes from around the corner and SMACKS a flyer onto a nearby wall.

ARIANA ARIES
Huh?

The hand zips away as Ariana turns her attention to the flyer.

TAMMY TAURUS
I know you're Miles' number one fan, but this is crazy even for you.

Tammy keeps walking as Ariana stops to read the flyer.

ARIANA ARIES
(to herself)
What's this? Astrology Club?
Sounds fun. I wonder what sign Miles Hart is.

HEARTS float from Ariana as she hugs the flyer and sighs with reverie, now lost in thought.

CUT TO: Tammy realizes she's walking alone.

TAMMY TAURUS
Ariana?
(to herself)
Great, I lost her - again!

BACK TO:

Ariana lost in thought. A strong beam of sunlight FLASHES in the sky. Ariana squints and protects her eyes with the flyer.

ARIANA ARIES

Whoa, who turned up the heat?

The sky turns orange. A dark MOON suddenly appears, bigger than any full moon you've ever seen.

ARIANA ARIES

Why's the moon out already? It's way too early for that.

SCREAMS echo from the background. Ariana looks around.

EXT. ALLEY - CONTINUOUS

Ariana peeks around a corner to see what's up.

Suddenly, her feet fly out from underneath her. She drops the flyer and floats upside down.

ARIANA ARIES

Ah!

Ariana fights against a WARPED pocket of atmosphere.

She flips around in the air several times, and then hurtles into a pile of garbage. Pieces of trash float up around her.

Ariana looks up and sees MISS SUNNY, a commanding woman wearing a fiery dress, standing in the alleyway.

A shaft of LIGHT beams out from Miss Sunny's hands up into the sky. She pushes the low-hanging dark moon with all her might.

Moon ROCKS rain down on Miss Sunny. Direct hit! Sunny smashes into a nearby building.

Another pocket of atmosphere wrinkles. A nearby CAR floats up and flips over, hanging in the balance.

Miss Sunny pushes the moon rock off. More rocks rain down on her, but she leaps up and uses them as stepping stones to get higher.

She throws another powerful light beam into the sky. She grits her teeth and gives it all she's got.

MISS SUNNY

Ahhhhhhhhh!

Miss Sunny pushes the moon with her light beam. The moon moves back and disappears from the skyline. Miss Sunny falls down to the ground, exhausted.

Clouds float away, and the sky turns blue again. The floating car SMASHES down to the ground.

The floating trash surrounding Ariana falls back down too. A banana peel splats onto her head.

ARIANA ARIES

Ew, gross.

Miss Sunny collapses into the street, exhausted. She looks around, checking for any vulnerabilities. No one's around except Ariana, who hides behind trash so as not to be seen.

Miss Sunny picks herself up and stumbles into a circular stone building nearby.

Ariana stands and shakes the trash away. She picks up the "Astrology Club" flyer back with a look of determination and follows Miss Sunny.

A pocket of atmosphere WARPS. Pieces of trash rise up and hover just above ground. The battle has only just begun...

END TEASER

THEME SONG INTRO

ACT ONE**INT. ASTROLOGY CLUB - MOMENTS LATER**

Miss Sunny stumbles into the middle of a circular hall. From a bird's eye view, the room is the dial of the zodiac with twelve empty seats around the circumference.

KNOCK. KNOCK. The large doors open, and Ariana walks in. She looks at Miss Sunny with intrigue and admiration.

ARIANA ARIES

Hi! Are you okay?

Miss Sunny stands with great effort and wipes sweat from her brow.

MISS SUNNY

Why do you ask, my dear? Why have you come?

ARIANA ARIES

I... Is this the Astrology Club? I saw an ad, and I wanna join. Maybe in a leadership role?

Ariana gives a million dollar smile.

MISS SUNNY

Aries...

ARIANA ARIES

My name's Ariana.

MISS SUNNY

I've been expecting you. Please, come in.

Ariana looks around as she enters the empty, cavernous hall.

ARIANA ARIES

(to Sunny)

Am I the only member so far?

(to herself)

Get in early, build it from the ground up.

(to Sunny)

Hey, can I be the President of the club? I've got lots of ideas for how to make it sooooo cool!

Miss Sunny laughs.

MISS SUNNY

I assure you, the others are on their way. I'll lead the team for now if you don't mind.

ARIANA ARIES

I guess so. Who are you? What just happened and how did you --

MISS SUNNY

I'm Miss Sunny and I have a lot to teach you. Most things you already know, but you've forgotten.

ARIANA ARIES

Okay..?

Miss Sunny ushers Ariana over to the first seat in the zodiac circle.

As Ariana sits, a red GLOW ring emanates. Her eyes light up with a flash of FIRE, and she smiles enthusiastically.

ARIANA ARIES

I am!

The glow dissipates.

ARIANA ARIES

Whoa, what does it mean? I... I sort of remember, but it's all a little hazy.

MISS SUNNY

I have a present for you.

ARIANA ARIES

Awesome! I love presents.

Miss Sunny hands Ariana a golden compass with an "Aries symbol" on the lid.

Ariana examines it with admiration.

ARIANA ARIES

O-M-goodness, I love it!
(beat)
What is it?

MISS SUNNY

It's a Zodiastroscope. It will always keep you on course.

TAMMY TAURUS (O.S.)
 There you are, Ariana. I had a
 weird feeling I'd find you in
 here.

Tammy runs over to join them.

ARIANA ARIES
 I'm so glad you're here, Tammy. I
 found this super cool Astrology
 Club. Wanna join?

TAMMY TAURUS
 Maybe. Tell me more.
 (points to Zodiacscope)
 Hey, cool compass!

MISS SUNNY
 (to Tammy)
 I have one for you too, Taurus.

Miss Sunny leads Tammy to the second seat in the zodiac circle.

TAMMY TAURUS
 My name's not Taurus, I'm Tammy.
 (whispers to Ariana)
 She's quick to give nicknames,
 huh?

Miss Sunny smiles and hands Tammy a compass with a "Taurus
 symbol" on the lid.

Tammy's eyes grow wide with excitement as she takes the compass
 and holds it to her heart.

TAMMY TAURUS
 Thanks! It's beautiful.

A ring of green GLOW emanates from Tammy. A VINE grows within
 the pupils of her eyes. She gasps.

TAMMY TAURUS
 I have!

Miss Sunny smiles.

TAMMY TAURUS
 I remember...

ARIANA ARIES
 But it's a little hazy, right? You
 wanna join so we can find out
 more?

TAMMY TAURUS
Sure, let's do it.

ARIANA ARIES
(whispers to Tammy)
She might make me President.

MISS SUNNY
I'd love to stay and chat, but
we've got to go!

TAMMY TAURUS
Where are we going? I just got
here.
(motions around)
I wanna check out the digs.

MISS SUNNY
I have an important mission for
you girls.

ARIANA ARIES
A mission? Exciting!

Tammy bites a fingernail.

TAMMY TAURUS
Let's stay here and get to know
each other better.
(to herself)
This is moving so fast.

Ariana runs around the zodiac circle with her arms widespread.

ARIANA ARIES
I'd never pass up a mission, even
if I don't know anything about it.

TAMMY TAURUS
I need deets! Where's everyone
else from the club?

MISS SUNNY
There's no time to wait for the
others. We've got to go.

ARIANA ARIES
I have no idea what you're talking
about, but I'm in!

TAMMY TAURUS
Wait --

Miss Sunny pulls out her own compass. There's a "Sun symbol" on
the lid. She presses it, and they magically ZAP away.

EXT. FARM - DAY

Miss Sunny, Ariana, and Tammy reappear in front of a barn.
CHICKENS hover just above the ground.

CHICKENS

Bawk, bawk, bawk!

One chicken pecks with its neck, thrusting itself through the air toward a cluster of floating seeds.

ARIANA ARIES

What kind of kooky farm is this?

TAMMY TAURUS

Hold up! How'd we get here? I liked where we were. A stone building is a nice, safe place to never leave. If it has a bathroom.

MISS SUNNY

As you can see, gravity is shifting. I can't keep things in orbit by myself. I need your help. If you don't find a solution, the whole town will float away!

TAMMY TAURUS

What can we do about it?

Miss Sunny looks into Tammy's eyes.

MISS SUNNY

You are the stars, my dear. Look up and within. You'll find a way.

Sunny smiles. She taps her compass and ZAPS away, leaving Ariana and Tammy alone on the farm.

TAMMY TAURUS

Where'd she go? What's going on? I can't deal with this much change at once!

Tammy curls into a little ball and rocks herself gently.

Ariana grabs Tammy's shoulders and shakes her.

ARIANA ARIES

Get a grip, girl!

EXT. ASTROLOGY CLUB - DAY

The "Astrology Club" flyer magically reappears on the wall of the circular stone building as CANDY CANCER, with long wavy hair, walks by. She notices and pulls it down.

CANDY CANCER

(reads aloud)

Do you feel a magical pull from the stars above? Are you looking for your place in the Universe? Join the Astrology Club to learn who you really are.

Candy smiles.

CANDY CANCER

This feels perfect for me.

COLIN, Candy's brother, walks up behind her.

COLIN

There you are. Mom's looking for you. What's that?

Colin yanks the flyer from her hands and laughs.

COLIN

Astrology Club? Lame.

Candy takes the flyer back.

CANDY CANCER

Hey, I supported you when you wanted to join the glee club.

COLIN

Only if I let you pick the songs I sing!

CANDY CANCER

I'm not controlling, I'm just better at curating playlists.

COLIN

And I do have a killer voice.

Colin clears his throat to sing.

CANDY CANCER

I haven't seen the new set list in a while. I should give it a glance.

Colin rolls his eyes.

COLIN

Fine, but you can't join a club,
Candy. You'd have to make new
friends.

Candy looks at the flyer with reservation.

CANDY CANCER

I like friends...

COLIN

You like the friends you already
have. New people aren't exactly
your jam. Come on, let's go.

Colin walks away. Candy looks at the flyer, then at the
Astrology building, then back at the flyer. She tucks it away
and follows her brother.

Candy doesn't notice the SQUIRREL behind her running in place
in mid-air. GRAVITY is shifting...

END ACT ONE

ACT TWO**EXT. FARM - MOMENTS LATER**

Ariana runs around the farm trying to catch one of the floating chickens.

ARIANA ARIES
Tammy, help me catch these crazy birds.

Ariana jumps onto the chicken. Its eyes bulge as they float in mid-air for a beat. They fall to the ground.

CHICKEN
Bawk!

Tammy lies with her ear to the ground.

ARIANA ARIES
What are you doing?

TAMMY TAURUS
Shhhh. I'm... listening.

ARIANA ARIES
For what?

TAMMY TAURUS
(beat)
I don't know.

Tammy sits up. Ariana grabs another chicken and ties the two together with rope.

TAMMY TAURUS
How could Miss Sunny throw us into this crazy mess? How would we know what to do? Maybe I'm not cut out for this club.

ARIANA ARIES
Here's what we're going to do. We'll wrangle the chickens together and tie them to the fence. Job done.

One of the chickens gets out of Ariana's grasp. Its eyes bulge when she grabs it back.

CHICKEN
Bawk!

TAMMY TAURUS
 Sunny said the whole town will
 float away if we don't fix this. I
 think it's bigger than the
 chickens, Ariana.

Ariana runs around trying to catch another floating chicken.

ARIANA ARIES
 Grab some rope, will you?

TAMMY TAURUS
 I don't think --

Ariana jumps on a chicken, but misses. She braces for impact,
 but instead of hitting the ground, she hovers.

ARIANA ARIES
 It's getting worse. Stop standing
 around and help me!

TAMMY TAURUS
 (mumbles)
 Who made you the boss?

ARIANA ARIES
 What was that?

TAMMY TAURUS
 (sighs)
 Nothing.

Tammy reluctantly grabs rope and joins in Ariana's scheme.

INT. CANDY CANCER'S BEDROOM - DAY

Candy lies on her bed staring at the Astrology Club flyer. Her
 body slowly starts to hover. GRAVITY is losing its grip on the
 town!

CANDY CANCER
 What the?

Candy grabs her headboard to maintain her balance. She watches
 as the Astrology Club flyer slowly floats away.

EXT. FARM - MOMENTS LATER

Ariana and Tammy are tangled up in the rope with the chickens,
 hovering in air.

ARIANA ARIES

Tammy, you're not doing it right. You've got to move the rope clockwise. Or wait, is it counterclockwise?

TAMMY TAURUS

Maybe don't give orders if you don't know what you're talking about.

Ariana, Tammy, and the chickens float further up as GRAVITY significantly decreases.

TAMMY TAURUS

Oh no! It's getting worse. What are we going to do?

ARIANA ARIES

Quick Tammy, grab onto the fence!

Tammy reaches her hand out, but misses as they float past a white picket fence.

TAMMY TAURUS

I can't reach it.

ARIANA ARIES

Untie the rope clockwise and then tie us to something. Nothing too tall, we need to get our feet back on the ground.

Tammy tries to keep up with Ariana's commands, but the rope gets tighter on Tammy's hands.

ARIANA ARIES

I said clockwise!

TAMMY TAURUS

Be quiet!

Ariana balks.

ARIANA ARIES

Excuse me?

TAMMY TAURUS

First you ditch me. Then you lure me into this wierd club. And now all you've done is tell me what to do! You didn't ask my opinion at all. I don't want a friend like that.

ARIANA ARIES

Well, excuse me. No once forced
you to join... At least I have
some ideas. You'd still be curled
up in a ball if it weren't for me.

Ariana and Tammy argue in unison. The chickens BAWK back and forth, drowning them out.

EXT. CANDY'S HOUSE - DAY

Candy floats out the front door with the Astrology Club flyer in hand.

CANDY CANCER

(calls out)

Gotta go! I'll be back by dinner.

She pushes herself off the porch banister and floats away.

EXT. STREET - CONTINUOUS

Candy floats past an OLD MAN walking his DOG. The dog runs in place, treading air.

OLD MAN

Slow down, Tiger. My knees aren't
what they used to be.

The old man attempts to run, but his legs slide out from underneath him. He hangs upside down. The dog licks his face.

OLD MAN

Mmmm, tastes like beef jerky!

CANDY CANCER

Don't worry, Mister Jones. I'm
gonna figure out what's going on.

Candy pushes off a stop sign to propel down the street.

EXT. FARM - MOMENTS LATER

CHICKENS

Bawk, bawk, bawk!

Ariana, Tammy, and their gaggle of chickens float higher. Ariana grabs two beaks to stop the clucking. They finally quiet down.

ARIANA ARIES

Tammy, I'm sorry I was telling you what to do. I was just excited to be on a mission. But we need to work together. If we don't fix this soon, the whole town will float away!

TAMMY TAURUS

Apology accepted. It's easy to get wrapped up in all this madness.

CHICKEN

Bawk, bawk!

The girls laugh.

TAMMY TAURUS

Promise not to do it again?

ARIANA ARIES

Like ever?!

TAMMY TAURUS

Ariana!

ARIANA ARIES

... I promise I will try.

TAMMY TAURUS

Fair enough.

ARIANA ARIES

So what should we do? Now's a good time to share those great ideas of yours.

Tammy opens her mouth to speak, but then hesitates.

TAMMY TAURUS

Well... I... I don't actually have any ideas.

ARIANA ARIES

Oh no!

TAMMY TAURUS

This isn't so bad. I could get used to living in zero gravity. I could be an Olympic air swimmer.

Tammy swims through the air with her arms.

ARIANA ARIES

Tammy! We've got to do something,
and fast!

TAMMY TAURUS

I don't have a clue. We can go
back to you shouting commands, I
guess.

ARIANA ARIES

No, that wasn't working either. We
need to come up with a solution
together.

Tammy smiles.

TAMMY TAURUS

Miss Sunny said we have to look up
and within.

ARIANA ARIES

How do we do that?

A chicken pecks its beak into Tammy's cheek.

TAMMY TAURUS

(to chicken)
Ouch! Stop pecking at me.

ARIANA ARIES

I wasn't bossing!
(to herself)
Geez, she's so sensitive.

TAMMY TAURUS

Not you...

Tammy untangles the rope and frees herself from the chickens.
The chickens float above them, freeing Ariana as well.

ARIANA ARIES

Ah, that's better.

One of the chicken poops on Ariana. Her face falls deadpan.

Tammy pulls out her compass and opens it. A HOLOGRAM appears,
showing the current orbits of the planets and stars above them.

Ariana wipes her hair and looks at her compass too.

TAMMY TAURUS

What's this?

Tammy touches a MOON that wobbles in a weird alignment in the
hologram. It glows, highlighted by Tammy's touch.

ARIANA ARIES

That looks wrong. Maybe it's out of place, and if we put it back, gravity will go back to normal?

TAMMY TAURUS

Great idea! How do we move a moon?

ARIANA ARIES

We are the stars!

Ariana closes her compass and taps the Aries symbol on the lid. She ZAPS away. Tammy taps her compass and disappears too.

EXT. OUTER SPACE - CONTINUOUS

Ariana and Tammy ZAP into outer space. They look like specks of dust in front of a large dark MOON that wobbles.

TAMMY TAURUS

Whoa! Where are we? The farm was safe. Let's go back there.

Tammy hyperventilates. Ariana grabs her hand for support.

ARIANA ARIES

I'm freaking too, Tammy. But we gotta fix this moon. It's moving all funky.

TAMMY TAURUS

This moon is huge! How do we fix it? I can't deal...

Ariana grimaces, unsure what to do next.

The moon lifts its "head" to reveal DARK MOON LILITH, a witchy woman with a moon-like face. In this form, she's just a little taller than the girls.

ARIANA ARIES

(to Dark Moon Lilith)

Hey, who are you? Did you mess with our gravity?

Lilith laughs.

DARK MOON LILITH

Isn't it wacky and wonderful?

TAMMY TAURUS

Wacky, yes. Wonderful? Not so much.

(MORE)

TAMMY TAURUS (CONT'D)
I like my feet planted on the
ground, thank you very much.

DARK MOON LILITH
I'm sorry Astrologals, but I'm
here to shake things up. No more
status quo. I, the Dark Moon
Lilith, am here to wreck havoc on
the boring balance of the Universe
that keeps us stagnant and in
place.

ARIANA ARIES
(to Lilith)
The honeymoon's over, moon lady.
I'm going to need you to get back
in alignment. Okay?

Lilith's smile turns wicked.

DARK MOON LILITH
Why don't you make me?

Tammy hides behind Ariana.

TAMMY TAURUS
(to Ariana)
Go on, fearless leader.

Ariana rolls her eyes at Tammy then scans the scene for a
solution.

ARIANA ARIES
Um... hmmmmmm...

She recalls Miss Sunny's earlier words.

MISS SUNNY (V.O.)
Most things you already know, but
you've forgotten.

ARIANA ARIES
(to herself)
I remember, but it's hazy...

MISS SUNNY (V.O.)
You are the stars. Look up and
within...

Ariana looks down at her compass and holds it to her chest. She
closes her eyes and takes a deep breath. A red GLOW ring
emanates from her.

ARIANA ARIES
I remember...

Ariana opens her fiery eyes with intent and strikes a battle stance.

ARIANA ARIES
I am Aries! I'm the fuse and the dynamite.

Ariana grunts and pushes her hands forward with all her might. An epic FIREBALL shoots out and hits Lilith.

DARK MOON LILITH
Ah!

Ariana beams with excitement.

ARIANA ARIES
O-M-goodness, it worked!

TAMMY TAURUS
Whoa, did that just come from you?
Awesome!

ARIANA ARIES
Crazy cool. I can't believe it!

Ariana shoots more fireballs at Lilith. The moon witch moves back to avoid them.

TAMMY TAURUS
I wonder what I can do.

Tammy takes a deep breath. She clutches her compass with eyes closed. A VINE slowly grows from her sleeve. A green GLOW ring emanates.

TAMMY TAURUS
I remember. I am Taurus and I have!

Tammy grips the vine and whips it into a lasso.

TAMMY TAURUS
Hey Ariana, isn't this moon supposed to be eclipsed? Let's put her back in her place.

Ariana smiles at Tammy.

ARIANA ARIES

Jupiter's in retrograde so we're going to have to make our own luck this season.

TAMMY TAURUS

Sounds like you remember more than me. I'll follow your lead.

The girls nod to each other. Ariana shoots fireballs at Lilith from one side. Tammy swings and throws her lasso over the moon witch, capturing her.

DARK MOON LILITH

Aries, become the true leader you were destined to be. Come to my side and lead my Lunar Army to victory!

Ariana is taken aback by Lilith's offer. She looks at Tammy then back at Lilith then back at Tammy.

In Ariana's moment of hesitation, the moon witch opens her mouth and spews out moon rocks that pummel Tammy.

TAMMY TAURUS

Ow! Ariana, help!

END ACT TWO

ACT THREE**INT. ASTROLOGY CLUB - CONTINUOUS**

Candy Cancer floats into the cavernous hall.

CANDY CANCER
Hello? Anyone here?

A bright ORB shines in the middle of the zodiac dial, burning brightly.

Candy's eyes grow wide with awe.

CANDY CANCER
What the heck's going on around here?

EXT. OUTER SPACE - CONTINUOUS

Dark Moon Lilith spews space rocks at Tammy, who ducks for cover under a shield made from her vines.

DARK MOON LILITH
(to Ariana)
Join my Lunar Army, Aries. Help me take Miss Sunny down!

TAMMY TAURUS
Don't listen to her, Ariana!

Ariana sees the anguish on Tammy's face.

ARIANA ARIES
(to Dark Moon Lilith)
I can't help you, moon chick. I made a promise to a friend to be more of a team player.

Tammy smiles.

TAMMY TAURUS
Your tricks won't work on us, Lilith. Get back in line!

DARK MOON LILITH
Foolish Aries. You chose the losing team!

Dark Moon Lilith taunts Ariana and Tammy, orbiting in tight circles around them both while pummeling them with moon rocks.

ARIANA ARIES
Ah! She's making me dizzy.

TAMMY TAURUS
 Deep breaths. We're in it
 together.

The girls hold hands. Ariana nods and breathes.

ARIANA ARIES
 I know I made the right choice.
 And I always choose the winning
 team.

TAMMY TAURUS
 Time to turn up the heat. Stop her
 in her tracks. Then I'll hogtie
 her, and we'll drag her back into
 alignment together. Okay?

ARIANA ARIES
 Okay!

Ariana concentrates and manifests a dozen fireballs. She juggles and then unleashes them one by one.

One fireball breaks up the moon rocks. The rest explode on all sides of Lilith, stopping her from orbiting around them.

DARK MOON LILITH
 Ouch! That really hurt.

Tammy grows a new vine and lassos Lilith on the first try. The girls both pull onto the vine, dragging Dark Moon Lilith.

DARK MOON LILITH
 Yes! Take me further afield.

Lilith laughs maniacally as she wobbles out of control. Unseen forces pull Ariana and Tammy into two different directions. The space around them squishes and stretches.

TAMMY TAURUS
 No!

INT. ASTROLOGY CLUB - CONTINUOUS

As Candy swims through the air toward the burning orb, she is pulled up to the ceiling - a consequence of the battle currently raging in space.

CANDY CANCER
 Ah!

EXT. OUTER SPACE - CONTINUOUS

Ariana reaches her hand out to grab Tammy, but the unseen forces keep them apart.

ARIANA ARIES
(yells)
This feels wrong. Let's pull her
the other way to find a better
alignment.

Ariana grits her teeth and throws fireballs to propel herself back to Tammy. They lock hands.

Ariana grabs onto Tammy's vine, and together they pull Lilith in the opposite direction, back toward her rightful orbit.

Ariana and Tammy pull with all their strength.

TAMMY TAURUS
We are... the stars!

They toss the Dark Moon witch out into space. Like a magnet, Lilith locks into place. She struggles to get out, stuck in Earth's orbit.

DARK MOON LILITH
You haven't seen the last of me,
Astrologals!

The forces around the girls settle.

ARIANA ARIES
Alright! We did it!

TAMMY TAURUS
We make a great team. Sorry I
yelled at you for taking the lead
earlier.

ARIANA ARIES
No, I'm sorry. Those chickens were
driving me bawk-ers.

The girls laugh.

TAMMY TAURUS
We better go check on them.

They click their compasses and ZAP away.

EXT. FARM - DAY

Ariana and Tammy ZAP in. No chickens to be found.

ARIANA ARIES
Where'd they go?

CHICKEN
Bawk!

The girls look up just in time to see a gaggle of chickens falling from the sky. They all land in a pile, feathers flying everywhere. The chickens bawk, and the girls laugh.

EXT. OUTER SPACE - MOMENTS LATER

Dark Moon Lilith orbits peacefully toward Miss Sunny, both taking the shape of their respective celestial bodies.

MISS SUNNY
(to Lilith)
Not bad for their first mission,
huh?

DARK MOON LILITH
The Astrologals have a lot to
learn if they're going to stop all
the mischief I have planned.

MISS SUNNY
You don't have to do this. What
are you trying to prove?

DARK MOON LILITH
There's no growth without tension.
Are you afraid you'll lose?

MISS SUNNY
Ha! Game on!

Miss Sunny enflames.

INT. ASTROLOGY CLUB - MOMENTS LATER

The bright ORB shining in the middle of the zodiac dial dulls to reveal Miss Sunny in her human form.

Candy peels herself off the ground and stares at Sunny with wide eyes, mouth agape.

CANDY CANCER
Who are you?
(MORE)

CANDY CANCER (CONT'D)
 What kind of club are you running here?

MISS SUNNY
 I'm Miss Sunny and I have a lot to teach you. Most things you already know, but you've forgotten.

Ariana and Tammy ZAP in, laughing.

ARIANA ARIES
 O-M-goodness Miss Sunny, that mission was lit!

MISS SUNNY
 Do you remember who you are now?

Ariana and Tammy smile knowingly at each other and take their seats in the zodiac dial.

ARIANA ARIES
 I am Aries.

TAMMY TAURUS
 I am Taurus.

Miss Sunny shows curious Candy to her seat and hands her a compass with the "Cancer symbol" on the lid.

CANDY CANCER
 Who am I?

MISS SUNNY
 Press the Zodiacscope to find out.

Candy studies the compass, unsure.

TAMMY TAURUS
 (to Candy)
 If I can do it, you can too.

ARIANA ARIES
 Totes. We're gonna have so much fun together!

Tammy, Ariana, and Sunny nod with encouragement.

Candy takes a deep breath and clicks her compass. A silver GLOW ring emanates. Her eyes flicker with a wave of water.

CANDY CANCER
 I'm Cancer, and I have all the feels.

The wave of water in Candy's eyes crescendos and spills out. Tears stream down her face. Candy throws her head in her hands and sobs.

TAMMY TAURUS
Hey, are you okay?

ARIANA ARIES
What's wrong?

MISS SUNNY
The fight for balance is never an easy one.

Sunny comforts Candy.

MISS SUNNY
(to Candy)
My dear, you are ruled by the moon, and we are up against dark lunar forces. You remember, don't you?

Candy nods and wipes her tears.

MISS SUNNY
You are a key to the cosmos, one Lilith will no doubt try to take. You must choose, Cancer. Can you control your emotions and hydrate our team? Or will you crawl into your shell and allow the dark moon to take over?

Candy struggles to take this all in.

Ariana slides her arm around Candy.

ARIANA ARIES
As President of the Astrology club, I vote you join the team. I've seen this moon chick, and it's not a good look.

TAMMY TAURUS
Yeah and if you join, maybe I can stay down here more. This clubhouse could use some warming up.

Tammy touches the wall and flowers magically sprout.

CANDY CANCER
How'd you do that?
(MORE)

CANDY CANCER (CONT'D)
What do you mean by down here?
Where did you just come from?

ARIANA ARIES
Plus, FOMO! How could you not join
us?

CANDY CANCER
Can I start on a trial basis or
something?

ARIANA ARIES
As President --

MISS SUNNY
Ahem.

ARIANA ARIES
(to Miss Sunny)
For what it's worth, I vote yes.

Sunny smiles and nods.

TAMMY TAURUS
(to Candy)
We're gonna be best friends, I
just know it!

Tammy hugs Candy. Candy is a little taken aback at first, but
then welcomes the affection.

MISS SUNNY
Astrologals, take your places.

Ariana, Tammy, and Candy sit. Sunny stands in the middle of the
zodiac dial. Colored GLOW rings emanate from them all.

MISS SUNNY
Welcome to the Astrology Club.

THE END
